WHY A CAT IS A BETTER
MATCH THAN A MAN

SURE, men are great...

Once in a while, when somebody's **MOTHER** did a good job, you'll find a **MAN** who is kind, intelligent, funny, attractive, polite, **AND** loyal. **HOWEVER**, at other times, a woman is better off just hanging out with her **CAT**, who is all of these things and **MORE**. There are countless reasons **WHY A CAT IS A BETTER MATCH THAN A MAN**. Here are just a few...

For starters,

a cat is
dependable...

doesn't channel surf...

loves your attention...
